Now a days everybody wanna talk

But nothing comes out when they moving they lips
Just a bunch of jibberish
And muthafuckers act like Eminem ain't gay
Everybody forgot
What happened?
What up Dre?
Yeah
It's all about Dre
It's all about Dre
Compton's in the house
Yeah that's right
Compton is in the house
Come here pull down your panties you little bitch
Alright hold up dawg
Go easy on me and shit
You about ripped my asshole last time
Take some of this Compton dick
Let me take off this white shirt so you can see my bird
chest
You wanna be famous?
Uh huh
Then spread that bitch ass
It's all about Dre

Ahh dawg you hurting me dawg
You the tightest Detroit rapper you little bitch
You ripping my asshole dawg
Hold on a second, wait don't bust
Wait, oh ahh dawg
Take all this compton dick
Hold on, don't bust
Do it on my lip like a milk ad
Compton's in that ass

It's all about Dre ahh shit
You wanna be famous you little bitch?
Don't tell Kim dawg, please

Ahh shit

Bitch boy muthafucka
You might have those 11 year old groupies believing
your shit
But you ain't fooling nobody bitch
You a mother fucking bitch

You ain't never shot at us with no paint balls
Matter of fact you can come get these painted balls

You ain't never chased us out of no club bitch
The only club you ever chased anybody out of was a
gay bar bitch
Straight outta Warren
Bitch you a joke
Sucking so much dick your fucking lips smoke
With your silly ass pretty boy rap
Mean mugging and thugging sitting on Dre's lap
You pull a gat on my dawg
No bullets or nuthing
You shaking, stumbling, nervous fumbling
Scared to death, screaming for help
So damn shook you almost shot yourself
Little radio thug with your preppy smile
Got everybody hopping out at 35 mile
Telling us we fake little faggot bet
I'ma gonna knock your teeth out the back of your neck
You might have little girls crying and shit
But the Detroit thugs aint buying your shit
Run you ass back to Dr. Dre, and open your butt
You little goofy ass boy get fucked
