If I licked your pussy  
Would you suck my dick?  
I got you moanin like the bitches in the porno flicks  
Pull your panties to the side so I can dig you out  
Cause I'm the old school pervert  
You know what I be all about  
I'm lookin for a girl with some fat lips  
And some nice hips  
A honey dip to come equipped with some big tits  
Baby you're the bomb  
And I heard your pussy's sweet like candy  
And you be havin niggas down to be down like Brandy  
Well what I wanna know are you a freak?  
Can we bust a 6 9 in my back seat on the creep?  
Move, what I gotta prove girl?  
You heard the song your pussy is my weakness  
And I'm feelin cock strong  
Like He-Man, so who do I be man?  
You callin me sick  
But you're the one that's tongue kissin your girl  
After she sucked my dick  
Playin role games, when my dick swang  
I'll be Indiana Bones in the Temple of Poontang  
Fuckin that cunt like a maniac  
Steamin up my back windows of my '86 Pontiac  
Afrodisiac, spanish fly in your drink  
By 10 o'clock at night I'll be fuckin you on the sink  
I can tell you're cummin by the way you scream and  
moan  
I bet you dream about fuckin when you be all alone  
But now I'm with ya, unleash emotions of ecstasy  
Cause you with the old school P E R V E R T

(Chorus x2)

Every bitch wants to be fucked  
Every nigga wants his meat sucked  
And if you're lying y'all just touch and front

I see you discriminate on asshole and pussy's the  
same  
I fuck the gangsta bitches, preppy hoes, and all the  
plain jane's

It don't matter if you're black, white, red, or brown  
Cause I got enough dick to spread around the town  
To the little yellow girls with the slanted eyes  
I wrap a bow around my dick and then I yell surprise  
And to the sista's, and to the sista's  
I love it when you shake that ass and say  
Mista mista Bones you do it like nobody can  
That's right honey I'm the pervert man  
I have you grabbin on your ankles and spreadin your  
toes  
Cause I'ma fuck ya till you get a bloody nose  
White hoes, I loves ya cause you be so sneaky  
Pullin yo panties down tryin to get freaky  
Fingering your pussy cause you know that's what I like  
Girl you gettin fucked tonight that's right  
To the pretty Arab girls in the super market

I love to lick your pussy floatin on a magic carpet  
To the romantic bitches fuckin on beaches in the sand  
I'm like M&M I cum in your mouth not in your hand  
Long lastin like a Duracell at the motel  
I won't tell if you don't tell  
Watch my dick swell, and give a couple licks like a  
lollipop  
Cause I can't and I won't stop till I see your panties drop  
Then I drop my load like a washin machine  
Then I'm on my way to find another pussy to please

(Chorus x2)

Every bitch wants to be fucked  
Every nigga wants his meat sucked  
And if you're lying y'all just touch and front

Is there a profilactic cause I don't be no idiot  
I ain't tryin to get sick or pull no silly shit  
But let's get back to the story  
I'm bustin nuts in the morning glory  
I can't afford a shorty  
I can barely support me  
So now you know the deal  
I'm coming real  
Can we leave this place?  
And go back to your crib and you can sit on my face  
I'll make you wetter than the ocean  
And hot like the bahamas  
Cause I want you to sex me pretty mama  
I'm tired of askin nice, I'm about to be blunt  
How would you like my dick in your cunt?  
I'll fuck you like you wanna be fucked  
You can suck me like I wanna be sucked  
Cause kissin and huggin ain't enough

And I know you like to fuck that way  
I watch you sway to every song that the radio play  
All I can say is I know you want it  
You really want it, and if you ain't gonna give up the  
ass  
Please don't flaunt it, don't flaunt it  
Cause that would make you a frontin hoe  
Really though if you put a quarter in my pocket  
I'll give you a freak show  
To the freaky hoes if S & M is your game  
I got body oil, riding props, handcuffs, whips and  
chains  
I'ma do da do it everyone of you and you  
I'm the old school pervert baby I thought you knew

(Chorus x6)

Every bitch wants to be fucked  
Every nigga wants his meat sucked  
And if you're lying y'all just touch and front
