(Esham)

I met this little girlie
Her pussy hairs was curlie
The way that bitch sucked off my dick
I busted my nut early
She asked me for some mo'dick
And started suckin mo' dick
I said relax you freaky bitch and sit yo' ass up on it
Her momma's in the kitchen
Her daddy's watchin the game
I got this bitch all knocking shit off shelves and
screamin my name
Bitch you take this dick up
And pay me for that weed
You can't just smoke my shit up, get some dick, and tell
me to leave
Yo' little sisters watchin
I think that bitch is hot
I know shes just a yongin' but i'm good for what shes
got
Shes peeping through the keyhole
I fucked that bitch in the butt, in the backseat of yo'
daddy's Geo
I stole yo' momma's vicodin
I know She just had surgery
But, I was so quick in and out of that purse
that bitch never head of me
I would try fuckin yo' momma
but that bitch is just so fat
I seen that bitch step on a dollar bill and leave four
quarters flat
WHAT!

(chorus-rude boy)

How many bitches need to know this name(boogieman)
check yo' ouija board, this ain't no game(esham)
eastside hoes and money all night with this boogieman
you'll be alright(boogieman)

(esham)

Bitch i want a piece of that cookie
And bitch i want it for free

Popular bitches get they little pussies popped
Like Brent Bocker fuckin with me
i smack yo' ass up
You don't roll that grass up
And after i'm done, i want those panties gone
Cause bitch i'm tearin that ass up
i'm mashin down gratiot, gay bashin
necks i'm slashin
Haul assin

Wicked shit never gets spun
that's why we get clever, get guns
i pull a DJ out of his pj's
it was e&j with the soopa villans
And bitch wake me with brains
And maybe i'll lose in yo' chains
Cause bitch you know you will never change
You seen more dick than hanes

(Violentj)

break (x2)

What are we gonna do with all these hoes
Smack me up a bitch i suppose
Hurry up bitch, and jump out ya clothes
you about to have dick commin out yoa nose

(Esham)

I met this girl named J-lo
Jimmy-hat on my dick like a sombrero
when i rawed her, she said Te Quiero
then i was out like a human tornado
you might see me in the streets of motown
Pushin crack to my hoes like bobby brown
Oprah please come and slob me down
i'll be like Steadman(?), how do ya like me now?
i got a big dick for you hoes to lick
i don't trick bitch but take ya bank and split
Beyonce, that's why i'm fuckin Kelly
in the backseat of a Chevy, after Nelly
Michelle pussy just to smelly
so we threw out the telly
Oh really?
don't be actin silly
hoes buttnaked, ya'll know the drilly

(chorus-rudeboy)

how many bitches need to know this name (boogieman)
check yo' ouija board, this ain't no game (Esham)
Eastside hoes and money all night
with this boogie man you'll be alright (boogieman)
