"Rapping to this bitch with a red neck
A red neck, that fucking red neck
Rapping to this bitch with a red neck
A down south bitch with a red-ass neck"

[Violent]

Bitch, you gotta red neck
But you look kinda straight so I'm bout to step
Heard you like fucking in pig pens
You never seen boys, so you fuck your girlfriends
Bitch, I know you's a ho
So let me fuck you with my big toe
Cuz I don't care what them hicks can do
Shit, I can fuck like a chicken hawk too
Bitch, we can take a walk
But I hate the way you fuckin' hillbillies talk
So keep your filthy ass mouth shut
And don't say shit, nasty slut
Bitch, I wanna hit it
So I can drop your ass in a New York minute
But you quick to act like you didn't know
Like you didn't know, that I'm a jiggle, you didn't know
Bitch, we can sit on the porch
Swing in a chair, I don't fucking care
But then it's to the sac, to the sac we go
I'm finna fuck this red neck ho

[Chorus (2x)]

Bitch, you's a ho
And ho you's a bitch
Everybody knows that you's a...
Funky funky bitch

"Rapping to this bitch with a red neck
A fucking red neck, a red-ass neck
Rapping to this bitch with a red neck
Said a mop-top corn stalk red-ass neck"

[Shaggy 2 Dope]

Bitch, it's 2 Dope
Before I threw you this dick, I throw you some soap
Cuz you been in the barn all day

Milking cows and fucking with hay

Bitch, if you let me hit
I don't care, you can play your Wayne Newton shit
I can take a little Conway Twitty
While I'm sucking on red neck tittie
Bitch, I go down south
With a piece of wheat hanging out my mouth
And sport a funky-ass straw hat
But after I hit it...MOTHERFUCK THAT!
Bitch, I from the big city
And I'm finna fall asleep on your big tittie
Yeah, it's the farmer's daughter
But I ain't gonna fuck in no swamp water
Bitch, drop your overalls
And we fuck in the back of a horse stall
You're the ugly bitch I know
But I still fuck ya, red neck ho

[Chorus (2x)]

[Esham]

My ratsaw can't even hang
With the wicked shit you've done
You go lynching with your gang
On a brother or a Mexican
Fuck, this shit may never quite
Bigots may never learn
I'll cut your motherfucking throat out, bigot
Now it's your turn
Bigots in the north seem to get respect
You know I'd choke that greasy neck
Step to the left, step to the right
In my piece, and I'll fuck your face up
Bitch, cuz I don't sleep
I said "Fuck you, bitch, I don't sleep"
In the south there's a lot of good faces
But shit, I'm gat on a fucking racists

[Violent]]

Bitch, I can't tell from where I'm at
But it looks like your neck is red, fuck that
I'm about to step
So I can say I fucked a ho with a red neck

[Chorus (9x)]
