Rappin' to this bitch with a red neck
A red neck, that fuckin' red neck
Rappin' to this bitch with a red neck
A down south bitch with a red-ass neck

Bitch, you got a red neck
But you look kinda straight so I'm 'bout to step
Heard you like fuckin' in pig pens
You never seen boys, so you fuck your girlfriends

Bitch, I know you's a ho
So let me fuck you with my big toe
'Cuz I don't care what them hicks can do
Shit, I can fuck like a chicken hawk too

Bitch, we can take a walk
But I hate the way you fuckin' hillbillies talk
So keep your filthy ass mouth shut
An' don't say shit, nasty slut

Bitch, I wanna hit it
So I can drop your ass in a 'New York Minute'
But you quick to act like you didn't know
Like you didn't know, that I'm a gigolo, you didn't know

Bitch, we can sit on the porch
Swing in a chair, I don't fuckin' care
But then it's to the sac, to the sac we go
I'm finna fuck this red neck ho

Bitch, you's a ho an' ho, you's a bitch
Everybody know that you's a funky, funky bitch
Bitch, you's a ho an' ho, you's a bitch
Everybody know that you's a funky, funky bitch

Rappin' to this bitch with a red neck
A fuckin' red neck, a red-ass neck
Rappin' to this bitch with a red neck
Said a mop-top corn stalk red-ass neck

Bitch, it's 2 Dope
Before I threw you this dick, I throw you some soap

'Cuz you been in the barn all day
Milkin' cows an' fuckin' with hay

Bitch, if you let me hit
I don't care, you can play your Wayne Newton shit
I can take a little Conway Twitty
While I'm suckin' on red neck titty

Bitch, I go down south
With a piece of wheat hangin' out my mouth
An' sport a funky-ass straw hat
But after I hit it, motherfuck that

Bitch, I from the big city
An' I'm finna fall asleep on your big titty
Yeah, it's the farmer's daughter
But I ain't gonna fuck in no swamp water

Bitch, drop your overalls
An' we can fuck in the back of a horse stall
You're the ugliest bitch I know
But I still fuck ya, red neck ho

Bitch, you's a ho an' ho, you's a bitch
Everybody know that you's a funky, funky bitch
Bitch, you's a ho an' ho, you's a bitch
Everybody know that you's a funky, funky bitch
