What's the matter? What's wrong? What up homie?

You got a lotta homies, I see that nice
I gotta kinda wonder if you stick like mice or not
When it gets hot who stays, who runs?
Who be holdin' ground, who be buckin' like shotguns?

You got a lotta a muscle, would they tussle for you?
If there's shit goin' down, would they hustle for you?
Tell me, if you get outnumbered an' the tables switch
Are you the type to leave them all hangin'
An' run like a bitch?

Run away boy, run away boy, hurry up
Run away boy, run away boy, hurry
Run away boy, run away boy, hurry up
Run away boy, run away boy, hurry

Hurry boy, go run an' hide your ugly face
Hurry boy, now run away where you can be safe
Hurry boy, now run away, hope they don't give chase
Hurry boy, just leave your friends, you need to be safe

Give me a tap, I see that we down
But would you hold your ground if there's trouble
around?
If muthafuckas dissin', are you pissin' in your pants
Or are you jumpin' in the mix like, ?C'mon an' dance??

Tell me this, would you take a bullet for me?
Do you have pride, tell me would you show it for me?
Or would you throw it to me, jump in your car an' bail
Like see ya wouldn't wanna be ya pal

Run away boy, run away boy, hurry up
Run away boy, run away boy, hurry
Run away boy, run away boy, hurry up
Run away boy, run away boy, hurry

Hurry boy, go run an' hide your ugly face
Hurry boy, now run away where you can be safe
Hurry boy, now run away, hope they don't give chase

Hurry boy, just leave your friends, you need to be safe

Hurry boy, go run an' hide your ugly face
Hurry boy, now run away where you can be safe
Hurry boy, now run away, hope they don't give chase
Hurry boy, just leave your friends, you need to be safe

Hurry boy, go run an' hide your ugly face
Hurry boy, now run away where you can be safe
Hurry boy, now run away, hope they don't give chase
Hurry boy, just leave your friends, you need to be safe
