So whats up man this shit ain't goin down  
Trust me, trust me  
I know her man itt's gonna go down just be cool, be  
cool  
She's never gonna buy that shit  
Trust me  
Alright look, Then I'ma go in there  
And I'm just gonna start freakin that bitch down  
She ain't gonna say shit watch  
(Door opens)  
Damn Tina you look mighty comfortable laying there  
naked  
You mind if I go ahead and pull my dick out  
Oh no, hell no  
You like that?  
I like to have my face fucked  
That really gets me going  
And I like what he's doing to me right now  
He's stroking my pussy really lightly  
Man there's all types of pussy rubbing and shit goin on  
What the fuck I'm supposed to do  
Fuck my face  
Man come on man  
This my hook up  
Come on man let me get that shit  
This is my hook up man get your ass away  
Come on man let me fuck her first  
This my shit  
Shut up, what I need is his cock in my ass  
Uhh uhh uhh you like it don't you?  
Let's get high and just fuck  
I'll hit you till you bleed  
And we could just blame it on the weed  
Little freak  
Sucking me off making my knees weak  
Rubbing my nuts when I cum making my voice tweak  
She makes me feel like a champion  
Late night when I call  
She knows what's happening  
I got a box of condoms and a mind full of tricks  
A freak just for fucking with my balls and my dick  
Get started

Legs parted  
I hit it so hard the pussy farted  
And now it's time to depart it  
She took the rubber off  
And then she shoved it in her mouth  
It felt like I came from down South  
Know about it  
Pussy pleasing's just a part of the game  
You gotta bang it till it falls right off  
I do the same  
Rub my dick in cocaine  
And freak some nasty shit  
It ain't the same without the pain  
Bring the flavor bitch  
2 on 1's not a problem  
So you can bring your girl  
And I can get the best of both worlds  
Fuck until I hurl  
Toes fell off, fuck a curl  
She kept nibbling my nuts like a squirrel  
I hit the weed and flicked the ash on her back  
Fuckin her friend in the face until her jaw snapped  
Oh shit, I can see her sucking on her tits  
And I can't help but notice 4 fingers in her clit  
She's a pro  
I thought I saw her pussy glow  
It could've been the sweat in my eyes  
I don't know for sure  
This freaks the shit for loving dick  
It's sick, but man I love that fat bitch

(Chorus x2)

She ain't afraid to admit she likes dick and,  
She ain't afraid to admit she likes her pussy licked  
She ain't afraid to let me fuck her in the ass  
And always got her mouth open for the cum splash

Excuse me lady did you say you liked to fuck  
Drop my drawers to my ankles, give my dick a suck  
You like it rough?  
I can feel my shit swelling and expanding  
A one way trip down south, a crash landing  
Right in your pink fun  
I get the job done  
Daddy was a pistol and I'm a son of a gun  
As I shoot my load on your chest and titties  
Gotta get my shit, we off to the next city  
Go a long way just so I can grind you  
Got enough dick for Ms. McCarthy  
And the 50 single hoes behind her  
A side winder

Never like the old timer  
Keeping hoes properly worked like Jane Fonda (Uh)  
My anaconda's got a mushroom cap  
An immense craving for your pussy cat  
Keep it moving like that  
My dick is hard as steel  
And I'ma freak that ass with some more sex appeal  
Tell me how it feel when I push it all in  
Eyes roll in the back of your head and you start to grin  
If sex was a sin then a wicked bitch you'd be  
With creepy ass titties and an eerie ass pussy  
So ride my broom stick until you hear me cum  
And school me on your methods of pink fun  
Yeah

(Chorus x2)

She ain't afraid to admit she likes dick  
She ain't afraid to admit she likes her pussy licked  
She ain't afraid to let me fuck her in the ass  
And always got her mouth open for the cum splash

Yeah, know what I am saying  
Yo, this be the Shaggy  
Down with the Psychopathic Phamly  
Down with Twiztid G  
Know what I'm saying?  
And yo check it out, I don't give a fuck  
I like to get skins  
I don't know about you muthafuckas  
But yo I like em big  
I don't give a fuck what  
I like em skinny, bald, retarded, crippled  
Spines on their backs  
I don't give no fuck  
800 pound-bitch come here sweetie  
I'm gonna fucking tie your shit in a knot  
And tap that shit  
Know what I am saying?  
Cause I love me some skins  
I ain't going nothing about it  
I'll hit a fucking 900 pound bitches neden from the back  
Know what I am saying?  
I'll wrap her legs backwards into a Boston crab  
And go to work  
Know what I am saying?  
Fuck that shit I ain't no fucking fag like that  
I like em stubbly so their whiskers tickles my balls  
When they suck my dick  
Know what I am saying?  
I don't give a fuck  
What, bring it on

(Chorus x2)

She ain't afraid to admit she likes dick

She ain't afraid to admit she likes her pussy licked

She ain't afraid to let me fuck her in the ass

And always got her mouth open for the cum splash
