Well since age 12 I felt like Im someone else
Cause I hung my original self from the top bunk with a

Hi, my anus who?
My anus what?
My anus really needs to be filled up
My english teacher wanted to flunk me in junior high
I told him to take his pants off, hooked him up, he let
me slide
I pinched his ass
He winked at me
He chased me around the desk
I told him come and get me
Walked in the strip club
Had my jacket zipped up
Flashed the bartender
And I tried to feel his dick up
Extra-terrestrial runnin over pedestrians
In a space ship while they screamin at me
Lets just be friends!
99% of my life I was lied to
I just found out my mom screws more guys than I do
(damn)
I told her I'd grow up to be a famous rapper
She met violent j I couldnt believe it when he slapped
her
You know you blew up when the women rush the stands
And try to touch your hands
But I need me a man
This guy at white castle asked for my autograph (dude
can I get your autograph?)
So I signed it dear dave, thanks for the support
Nice ass!

Or feel up my balls and buttcheeks
Anal lube got my ass greasy for weeks
Stick your manhood between my cheeks (yup)
Am I cumming or going

I can barely decide
I just drank a pint of semen
Dare me to drive? (go ahead)
All my life I was very deprived
Dres butt is too sexy to hide
Take your pants off dre I don't mind
Clothes rip like the incredible hulk
I spit when I talk
Ill do any guy that walks
When I was little I used to get so hungry I would throw
fits
Sometimes I sit and wish dr. dre had a set of tits
Get behind me shady and grab me by my hips
If I do that then I can't kiss you on your lips
By the way if you see my dad
Ask him if he seen my spread in gay als porno mag

Hi, my anus who?
