The Name is Sugar Bear.
And I'm sweet and fuzzy like a pair.

Ya the name is sugar bear,
And I'm sweet like a ficklestick.
All of the heffers wanna come get a lick
Of big sugar cause I'm #1 on the force
Take down things and? Cartels? Of course.
Bring it.
With a crime or neden.
Upstates where your heading'
Cause the name is sugar bear.
And I'm slick like grease.
All the chicks wanna get up on these.

Drugs are feven,
I don't care
Cause the long arm of the laws out there.
And the shoulder cat is connected to me.
The 1 and only S.U.G.
(Sugar hoe)
Bitch act like you know.
B-E-A-R. Hoe.

Oh Shugga Shugga you're so good.
Fighting crime. In between the sheets too.

Well his name is sugar bear.
And he's sweet and fuzzy just like a pair.
Well his name is sugar bear.
All you law breakers, you best beware.

(Fuck what you heard, and lay it to rest. Big Sugars

Ah ha ha.
The Name is sugar bear.
And I'm stretchy like taffy.
Your all mad cause your ladies up on me.
Now why you think that is baby bubba?
Its because I'm the master of undercover.

Now when I speak, wrong doers listen.
Or end up missing
Cause the name is sugar bear.
And I'm hot like coffee
And all you bitches,

Take lessons and act like you know.
When I see big baby imma smoke that hoe!
Lil Poot, Big stank, all in the cling,
Now Spit it man! (Foo what u think)
(Sugar who?)

B-E-A-R, and I'm done.

Oh Shugga Shugga you're best
Sealing cases is a robbing brass

Well his name is sugar bear.
And he's sweet and fuzzy just like a pair.
Well his name is sugar bear.
All you law breakers, you best beware.

(You gotta few pigs here that don't fly straight.
So they brought big sugar in to regulate.)

Well his name is sugar bear
(That's right)
And he's sweet and fuzzy just like a pair.

Well his name is sugar bear.

Well his name is sugar bear,
And he's sweet and fuzzy just like a pair.
Well his name is sugar bear,
All you law breakers, you best beware.
