you know the irony of life is that you have like  
this big dream to get where you wanna be  
but once you get there you start to dream about where  
you came from.

I guess that's the part of the circle of our lives  
like the hands of a clock going round.  
if only we could wind them back and return to a time  
where the dream began.  
it's all too soon that's all will be is a dream in someones  
mind.

Look at me I'm famous on top of the world,  
I finally reached the big time (I'm a superstar)  
stand up, step back and take a look  
is this really what I had in mind? (i don't really think so)  
I guessed them goals that we set in the day,  
they actually came to be. (yup yup)  
but now I'm looking at a blank white paper,  
and with a whole book of memories (but we never read)

seven deep in the jeep with the camo top,  
everybody and they drunk as hell,  
?? and awesome dre and anybody by the right would  
see us  
(cause we always went there)  
songs were long and pollution strong, and the faygo  
always warm and flat  
(thats nasty)  
but if now if this supposed to be heaven for me, then  
just give me my old hell back

so take me home  
(to my empty refrigerator)  
c'mon and take me home  
(to a life in which I understand)  
so take me home  
(to my old school down in delray)  
c'mon and take me home  
for what little time i have left

(c'mon c'mon) let's go yall

there's another festival down town,  
take some bottles back up to the store  
(i found two of 'em)  
that would get us bus money down there  
to get back we have to find some more  
(might as well get drunk)  
hanging our flyers up everywhere,  
we coulda sworn we was making noise,  
(everybody knew us)  
finally we had everyone in southwest  
representing with the jj boys (everybody)

I stole to eat (i stole)  
I stole to live (i stole)  
I stole only to survive (if yous a hoodlum)  
just like j said in 'ghetto zone' I stole a car with my tape  
inside  
all we did was try to talk to hoes,  
and none of them was trying to hear (not 1 hoe)  
it woulda meant so much more back then  
cause now its fake hoes everywhere

so take me home  
(to my empty refrigerator)  
c'mon and take me home  
(to a life in which I understand) (where you at yall?)  
so take me home  
(to my old school down in delray) (summer time)  
c'mon and take me home (delray)

mike p yall

southern rock for ya

rudeboy

oh lord don't let me get my girlfriends call  
if she don't get off until two (we got all night long)  
I finally show up at 4:30 am  
and I still have to drop my crew off (but I'll be back)  
now I'm alone and on top of it all,  
looking deep in the back of my mind (looking deep in  
the back of my mind)  
I realised the key to a happy life  
was right here wit me the whole time

*[Chorus x2]*

so take me home  
(to my empty refrigerator)  
c'mon and take me home  
(to a life in which I understand)

so take me home  
(to my old school down in delray) (where you at?)  
c'mon and take me home

what up everybody I'm here chilling with Samantha  
"HI GUYS!"  
and I bet you wondering how we like to do things  
around here  
well we like to do 'em with family

were family, family  
everyone of us is family  
what would life be like without family  
were family, family

well my name is Joe and I flow like whoa  
I stepped on stage and I stole the show  
mini c, she down with me,  
but today I'm representing all family

cause you remember how things were back in the day  
lets try to keep it this way

my name is mom and the mom the might (yea)  
kicking that style that I know you'll like  
I'm from Detroit the city of boom (boom)  
I used to send violent j to his room (what?!)  
when I bust this funky style  
my money stacks up over miles  
now I think I'll pass the mic  
to another fresh MC I know you'll like

I gots mad love for everyone on this track  
this rob rolling strong on a hoop attack  
Samantha's my daughter, my mom is my mom  
Nancy is my wife cause she is the bomb  
(hey don't forget about me in this roll call)  
Joe is my brother who is standing tall  
together there as powerful as my unity  
and I've been blessed to have my family

I am Samantha, I'm a MC  
rapping with my family  
love is the word I chose to use  
I spread it around like it's the news  
I do the booty shake everywhere I go  
and I prove I can dance and also flow  
if you have a problem with who I am  
you can go and jump in lake Michigan

Nancy's my name and I got much fame  
cause my family's on the team  
I flow as I go so act like ya know  
or get slapped in the head without a ???  
I do the booty shake with my daughter SAM  
cause she's the one with the master plan  
I got much love for new York and back  
don't question me cause that's a fact

my name is Kris, as if you don't know  
I ?? for a while with my crazy flow  
I was born and raised in Romulus  
that's where I first learned how to bust  
this song is making history  
cuz it's real, it's all about family  
I'm quite I don't say much and I'm shy  
any minute though I might sting your eye

were family, family  
everyone of us is family  
what would life be like without family  
were family, family

yea, the Bruce brothers will never die, thats right its all  
about family  
I'll hax anyone that ever messed with my family
