Back to the big top  
Back to the crowd  
Back to the cannon blasts, we loud  
Back to the tightrope  
Back to the lions  
Back to the acrobatics flying  
Babies crying  
Spectators scared  
Ape boy, jugglas, lady with a beard  
First one to go  
Red mist hit the front row  
The clowns are back in town  
Hellooooooo!

Oh!  
We back again  
It's happening  
We back in town  
So come on down

We got yo ticket  
We got that killer candy  
And if you like it wicked  
This circus ain't like any

Bang!  
Pow!  
Boom!

Back to the Freak Show  
House of Mirrors  
Maze of Amazement  
Gone for years  
Back to the dunk tank  
Guess your size  
Back to the Serpent Lady's lies  
Tigers let loose into the crowd  
All appalling  
All so proud  
All affordable in surround sound  
Come one, come all, and get down

Ladies and gentlemen, gather round  
The clowns are back in town!

Oh!  
We back again  
It's happening  
We back in town  
So come on down

We got yo ticket  
We got that killer candy  
And if you like it wicked  
This circus ain't like any

Bang!  
Pow!  
Boom!

T-t-th-the mesmerizing  
Hy-hy-hypnotizin  
Evo-evolving Dark Carnival  
I-i-i-is back in To-o-o-o-own  
W-w-w-way up that sloppy, loopy bi-itch ass of yours

Ladies and gentlemen, without further ado  
The throat chokers, cut-throat jokers  
Juggalotus and you know this  
Most hated band on the planet  
So fresh they can't stand it  
Dark Carnival minions  
The Duke of the Wicked  
And the Southwest-side Stranglord himself  
Big Violent J, and Sugar Shaggy2Dope  
Wicked-wicky-wocked-wicky-wicked Clowns, bitch!

Oh!  
We back again  
It's happening  
We back in town  
So come on down

We got yo ticket  
We got that killer candy  
And if you like it wicked  
This circus ain't like any

Sha-a-a-aggy Shaggs, Violent J, and Mike E. Clar-ar-  
ark!  
Psychopathic Records, bitch!

Bang!

Pow!  
Boom!

A-a-a-a-a-all across yo sweet ass lips  
Motherfucke-e-e-e-e-e-er!
