Party  
It's what you choose.  
Wild and wicked, you abuse  
Well fuck it  
No need to heed  
The hell with caution increase the speed  
Push it  
Impress the rest  
Run up and tell you ain't bought the dress  
You crazy  
Don't care about nuttin  
We'll see when that coffee's shuttin  
Chorus:  
When the mighty death pop.  
Everything stop  
You either rise or drop  
(Livin on the wild side,  
just hope it's a long ride)  
When the mighty death pop.  
Everything stop  
You either rise or drop  
(You keep playin he will come  
when it all shuts off, you done)  
Rock on  
Drop that confetti  
The death pop's when you ain't ready  
Hey, big shot hope you don't get shot  
He comes when provoked (the death pop)  
Let your balls hang out if you wanna  
But don't cry when they get kicked (get kicked)  
The black out's sudden end to your party  
The mighty death pop happens quick  
Every day throw it up, celebrate life  
Cuz that shit could pop tonight  
Make noise  
If he hears about you  
Suddenly we're without you

When it goes pop  
And then it goes pop  
And then it goes...  
You crazy ass fool

You need to stop  
So what, you on top  
(THE MIGHTY DEATH POP)  
Yeah, and he comes by request  
Live life a train wreck, and your next  
If you want the trouble  
He'll pop your bubble  
And then drop you  
On the double  
He'll Eject your ass if the beat is skippin, cus you stuck  
in the fast lane trippin  
Your a balloon, living in a picker bush  
Believe it your buzzer  
It's gettin pushed  
He loves the risky rock n roll  
Who gives a fuck  
Its out of control

When it goes pop  
And then it goes pop  
When it goes pop  
And then it goes
