Motha fucka! You don't know shit do ya? You wouldn't

faced assed mamma Don't even know about this
drama, MOTH A FUCKA! Oh my god look at that, turn it
up please Poor Nancy Kerrigan's sweet little knees
Somebody took her black thing and went thug Thats
terrible he heard about it for months What about that
one nobody guy that they found dead in the grass With
his dick in his, ass Unless there was more But you won't
recall cuz Micheal Jackson squeezed up on some little
kids balls What you concider DRAMA it ain't all that It's
just that your whack With Intergalactic satellite data
compress YES but we can't feed the homeless And then
OJ's big story unfolded Everybody watched that while
Okalahoma exploded 900 good reasons why this world
don't really care Thats what it costs for a wheel chair!
Terrible What ya know it's terrible Terrible, you don't
know whats terrible (2x)
