Ladies and gentelman, welcome to the sensational and amazing... Carnival of Carnage! They said it couldnt happen, they said it wouldnt last, but boys and girls and everyone weve got a carnival for that ass! Tens of thousands of freaks, sideshows, and fools, a carnival who together lives by there own rules

We looked into the stars, foretold everyone, something dark and wicked this way comes. We told of oddities, crawling from the dark, and a carnival which we can all belong. I dwell upon the streets, and I can tell you this: I see some circus, Juggalo shit going on. People drawn together, by rare and scrubby music, and we even gather once a year to PUT IT DOWN!

With tilt-a-whirls and merry goes', and carnivals of Faygo, were just trying to tell you abot the light, right. Now all the Jokers Cards have fallen with spectacular array, so when the Wraith is calling, walk into the light, right.

I hold a bloody axe, dress in hatchet red, we speak languages people dont understand. I send Faygo's via punted clear across a stadium in fashion only fuckin' Juggalos could ever demand. I got ninjas in my bckyard wearing Anybody Killa paint, Im thinkin' "What the fuck is going on?" Then i see the platinum on the wall, and i realize the Carnivals been right here all along, so lets bring it on.

With tilt-a-whirls and merry goes', and carnivals of Faygo, were just trying to

tell you abot the light, right. Now all the Jokers Cards  
have fallen with  
spectacular array, so when the Wraith is calling, walk  
into the light, right.

The crows have overlooked, we gave you all they gave,  
the carousel will spin on  
through the night. In Oz Id be the Wizard, 'cause Im  
overwhelmed, bur we hoped  
the Jokers Cards would point you out to the light /So you  
will be tight/ Right

With tilt-a-whirls and merry goes', and carnivals of  
Faygo, were just trying to  
tell you abot the light, right. Now all the Jokers Cards  
have fallen with  
spectacular array, so when the Wraith is calling, walk  
into the light, right.
