Hurry up, show's startin'
I can't believe they're still havin' it
I better get my butt in there right now

Ladies and gentleman, welcome to the sensational
And amazing, "Carnival of carnage"
They said, "It couldn't happen", they said, "It wouldn't
last"
But boys and girls and everyone we got a carnival for
that ass
Tens of thousands of freaks sideshows, and fools
A carnival who together lives by their own rules

We looked into the stars, foretold everyone
Somethin' dark and wicked this way comes
We told of oddities, crawlin' from the dark
And a carnival which we can all belong

I dwell upon the streets, and I can tell you this
I see some circus, juggalo shit goin' on
People drawn together by rare and scubby music
And we even gather once a year to put it down

With tilt-a-whirls and merry-goes, and carnivals of
Faygo
We're just tryin' to tell you all about the light, right
Now all the jokers cards have fallen with spectacular
array
So when the wraith is callin', walk into the light, right

I hold a bloody axe, dress in hatchet red
We speak languages people don't understand
I send Faygos via punted clear across a stadium in
fashion
Only fuckin' juggalos could ever demand
I got ninjas in my backyard wearin' anybody killa paint
I'm thinkin' what the fuck is goin' on?
Then I see the platinum on the wall, and I realize
The carnival's been right here all along, so let's bring it
on

With tilt-a-whirls and merry-goes, and carnivals of

Faygo
We're just tryin' to tell you all about the light, right
Now all the jokers cards have fallen with spectacular
array
So when the wraith is callin', walk into the light, right

The crows have overlooked, we gave you all they gave
The carousel will spin on through the night
In Oz, I'd be the Wizard 'cause I'm overwhelmed
But we just hoped the joker cards would point you out
to the light
So you'll be tight, right

With tilt-a-whirls and merry-goes, and carnivals of
Faygo
We're just tryin' to tell you all about the light, right
Now all the joker cards have fallen with spectacular
array
So when the wraith is callin', walk into the light, right

With tilt-a-whirls and merry-goes, and carnivals of
Faygo
We're just tryin' to tell you all about the light, right
Now all the joker cards have fallen with spectacular
array
So when the wraith is callin', walk into the light, right
