I think it's the heart's desire for every person in
America
And Canada to succeed, worldwide, yeah
Success is one thing that's the motivating force behind
many men, Amen And tonight I want to speak in a way
that you'll realize that
God ordained every one of his creations to be
successful

Look at this, millionaire, suave
Definitely paid, lemonade, stock market played
Marinate in shade, top craze
Bitches blowin' up phones

I walk by, never lie
I'm the type of guy with sparkles in my eye
Rollin' by, BMW, never take the truck with your kid
Who? What? Where? Over there, with the diamond
Sinclare

Looky there, everywhere, I stay flossin' them things
I'm like bang, bling, bling, bang, chingy, bling, blang
What the fuck bitch? Hurry up and suck
Move along, c'mon, until it's gone

Get the fuck out the room, I'm rollin' chrome
Seven hundred spoke, whicky, whicky, what?
Keep your hungry mouth shut
'Cuz I'm livin' it up

Hey, we gives no fuck
Million dollar house, we gives no fuck
Lavish cars, we gives no fuck
Baby, baby, we gives no fuck

Hey, we gives no fuck
Seven digit bank, we gives no fuck
Mad paid, we gives no fuck
Whoo, we gives no fuck

Seven figure bank, what you think?
Bitch you tickle me pink

You lookin' rank, coulda stank
Still I did ya, spank, spank, whore is dank

'Cuz I'm livin' like a video, fuckin' every shitty hoe you
know
Call me jigga, liggy, lo, fuck the juggalos
Escort, billion dollar drop, non-stop, from my pop
Never need to cop a mop

What you got? Get the fuck off my block
I call the cop, with your fuckin' hippy hop, whoo, whoo,
chop, chop
Tryn'a marry me, rich until they bury me
Stop it 'cuz you're scarin' me with all that jive, clap, clap

Take you back to where your whack
Crack neighborhood at
'Cuz lookee jack, 'cuz where we at
We havin' none of that

Hey, we gives no fuck
Million dollar house, we gives no fuck
Lavish cars, we gives no fuck
Baby baby, we gives no fuck

Baby, want you to love me
Want you to need me
Want you to use me

Hey, we gives no fuck
Seven digit bank, we gives no fuck
Mad paid, we gives no fuck
Whoo, we gives no fuck

Pow, let me show you how
Chuck up with your million now
Cash cow, cheddar wow
Dig it y'all, wicky, wild, wild

Wait a minute y'all
I might've over did it y'all
Forget it, I'll admit it, can't get it
'Cuz I'm greedy, greedy, greedy

Fuck the needy, fuck the treaty
Line 'em up and pow, pow, clicka, pow, pow, click, click
Chicka, pow, pow, bang, bang, ching, ching, bang,
ching-a-ling, bang
Pow, pow, chicka, bang, bang, chicka, chicka, bang

Hey, we gives no fuck

Million dollar house, we gives no fuck
Lavish cars, we gives no fuck
Baby, baby, we gives no fuck

Baby, want you to love me
Want you to need me
Want you to use me

Hey, we gives no fuck
Seven digit bank, we gives no fuck
Mad paid, we gives no fuck
Whoo, we gives no fuck

Baby, want you to love me
Want you to need me
Want you to use me

Baby, want you to hate me
Want you to take me
Want you to kill me
