(chorus) Don't ask us why,
We do the things that we do,
Don't ask us why,
We feel the same as you.
Don't ask us why,
Life can be so damn cruel,
Don't ask us why,
its all been decided for you.
(Chorus End)
Pure soul, first breath is filled with sin.
A young child just born quit sufferin',
A mother's greed, get high, chasin' ghosts again.
This will happen over and over again.
(Chorus)
I look into your eyes I feel your pain, life's insane.

I'm gonna do my best to try and end and live again.
I know we're all the same we live our lives,
a fuckin' game.
and still we do it over and over again.
(Chorus)
(some garbled backwards talking only on PFOS 2)
i wonder why, I wonder why.
First communion done, now your life has just begun.
Second part, the whole world is looking with a gun.
Another child will do it when he's on the run,
the vicious circle of life has just begun.
(chorus until end)
