[Music: M. Korsback. Lyrics: M. Korsback / N. Dahlin]

[Solo: N. Dahlin & M. Korsback]

The night is coming early. The sun has left us for
another day.
And we can't see the brightness. Is there possibly
another way?

[Bridge:]

As I try to catch the summerbreeze, I see your smile it
fades away.

The sun is rising early. The night has left to take
another day.
We can't get what we've lost in vain. The silence strikes
us like a hurricane.

[Bridge:]

The emtyness will not reduce our pain. You gave us
sunshine, now comes the rain.

With the angels in the sky. We'll be with you in minds,
hearts and souls.
With the angels in the sky. We'll be with you wherever
you go.
We will cry we will never loose this pain, but we will
meet another day.
You're an angel in the sky.

[Solo: N. Dahlin / H. Juhano]

And now I feel so lonely, there is no happiness, no light
in sight.
But I know that I must go on. And maybe one day I will
see things bright.
Maybe one day I will see things bright.

[Solo: N. Dahlin]

And now I feel so lonely, there is no happiness, no light
in sight.

But I know that I must go on. And maybe one day I will
see things bright.
Maybe one day I will see things bright.

[Rep. Chorus]

[This song is dedicated to our angel: Johanna Carlsson.
We will never forget you. R.I.P.]
