[Music: ?stros, Lyrics: ?stros]

All your life you've tried to smile.
But something warn you to die.

There's just things hard to explain.
I will keep on asking why.

You can call it what you want.
There's a reason I wont try.

There's just things hard to explain.
I will keep on asking why.

It must be an evil pain.
But you keep on struggling.
It's hard for you to explain.
You've got to fight for life.

I once saw it every day.
But you had to walk away.

There's just things hard to explain.
I will keep on asking why.

It must be an evil pain.
But you keep on struggling.
It's hard for you to explain.
You've got to fight for life.

[Solo]

There's just things hard to explain.
I will keep on asking why.

It must be an evil pain.
But you keep on struggling.
It's hard for you to explain.
You've got to fight for life.

(This song is dedicated to Lihnda)
