[Music: Keiski, Lyrics: Keiski]

Since you've been gone
I've seen your picture in my mind each and every day.
Why is it so that one must leave and one must stay?
It happens every day.

I keep on wondering why. Why is it so?
Someone please tell me because I just need to know.

All I can do is hope that I will see you again.
But 'till that day I know I'll just have to wait.

When we were young
Life was a game and we just laughed, it seems like
yesterday.
Sometimes I dream that you are here, but then again
When I wake up you disappear.

I keep on wondering why. Why is it so?
Someone please tell me because I just need to know.

All I can do is hope that I will see you again.
But 'till that day I know I'll just have to wait.

[Solo]

There certain things
That I can't learn to understand even if I try.
And 'til that day when we will meet again my friend.
I keep on asking my self why.

I keep on wondering why. Why is it so?
Someone please tell me because I just need to know.

All I can do is hope that I will see you again.
But 'till that day I know I'll just have to wait.

All I can do is hope that I will see you again.
But 'till that day I know I'll just have to wait.

(This song is about losing a friend and the memories

that are haunting you. I dedicate this song to my dear
beloved cousin Leif Rikard Keiski. R.I.P)
