[Music: Hal?n, Lyrics: Hal?n]

What is love supposed to be?
Could it be a feeling inside of me?
Then why does it makes you sad?
All these emotions that we keep inside.
Tell meÂ...

Why canÂ't we go on like we used to do.
Leave all the troubles behind.
Devastating thatÂ's a shame, when IÂ'm the one to
blame.

Oneday I will find you
Oneday I will find my love
Summer turning into autumn, makes me realize
Even darker skies, they are approaching

What is love supposed to be?
A feeling inside that makes you free
Then why does it makes me lie?
ShouldnÂ't have to be so hard
Like grasping for the stars.

Why canÂ't we go on like we used to do.
Leave all the troubles behind.
Devastating thatÂ's a shame, when IÂ'm the one to
blame.

Oneday I will find you
Oneday I will find my love
Summer turning into autumn, makes me realize
Even darker skies, they are approaching

Will I make it through the day?
Without you by my side.
Is there a chance, thatÂ's weÂ'll meet again?
Oneday, we will meet my friend.

(Thoughts: This song was written when I still believed in
loveÂ...)
