[Music & Lyrics: P. Vastila / N. Dahlin]

Fighting through fire and fighting through hell.  
Walking on clouds and walking on air.

[Bridge:]

I know I can manage without you, I know that my  
dreams will come true.  
Cause I am the one who will stay strong.

Trying to find through the roads in my life.  
Different choices, made everyday.  
Trying to find a true soul inside.  
The past won't haunt me, i never look back.

I'm feeling the pain again and again.  
Approaching the future, I'll have my revenge.

[Bridge:]

I know I can manage without you, I know that my  
dreams will come true.  
Cause I am the one who will stay strong.

Trying to find through the roads in my life.  
Different choices, made everyday.  
Trying to find a true soul inside.  
The past won't haunt me, i never look back.

[Solo: N. Dahlin / Mr. Perkele / P. Vastila / N. Dahlin]

[Rep. Chorus]
