Slowly We Rot
They say we'll be the falling ones
The future knows no doubt
It seems that nobody cares what we do
A million times I dreamed of it
To kick 'em in their teeth beware of me
The next one could be you

I need my freedom it's all for my life
Slowly we rot...
Slowly (it feels like shit) drinkin' lots of beer
Slowly we rot

Freedom has another spell
Than working from 9 to 5
And then I show how I like to be
A million times I dreamed of it
To kick 'em in their teeth
Beware of me the next one has to bleed

I need my freedom it's all for my life
Slowly we rot...
Slowly (it feels like shit) drinkin' lots of beer
Slowly we rot

I know someday my time will come
There's no doubt about
And then I'll show you how I like to be
A million times I dreamed of it
To kick 'em in their teeth beware of me
The next one has to bleed

I need my freedom it's all for my life
Slowly we rot...
Slowly (it feels like shit) drinkin' lots of beer
Slowly we rot
