Streets Of Madness

I feel the sorrow I feel the pain
Frustrating sadness here today
An amok fighter plays bloody games
Another breakout who's to blame

I've seen this madness each day it's on tv
This is not the way the things should be

I can't find a reason what's goin' on
Immense aggression to be someone
A fistful of liars 'n' million of worms
An endless killing, nuclear storms

I've seen this madness each day it's on tv
This is not the way the things should be

Living on the streets of madness
I'm fighting to survive
Living on the streets of madness
I'm fighting to survive

Running, hiding, fighting in the night
Running, hiding, fighting for your lives
