I walk in constant shadow  
Blocking light and dark  
Bow down before me  
I recall your soul

I am the path  
My traditions covenant

For I am the only god that is  
Extinguish these mishappen abominations  
Blasphemy

I will undo creation  
Taste the fire in my eyes  
My faith ignites your life  
Blasphemy

Forsake your mortal ethics  
Unchain the inner beast  
Hierarchies of sin  
Blasphemy

I will bend this earth to my will  
Relinquish all power to me  
To renounce me is to renounce all life... all hope

We are not akin  
I stand above this mass of humanity

I am not drawn to darkness  
It is drawn to me
