Go to church, accepting god.  
Absorbing their religious fraud.  
Shunning those who disagree, what will it take for you  
to see.  
Collection plates always full, with hard earned cash of  
pawns and tools.  
Exposing them for who they are, the truth is even more  
bizarre.  
Men of god molesting kids embracing what their god  
forbids.  
Turned to christ, because you're weak.  
Thinking you'd find inner-peace.  
Emptiness when you confide, leaves you feeling dead  
inside.  
Disgusted by your former priest, you rat him out to the  
police.  
He cries in court and says a prayer before his sentence  
to the chair.  
Religion you once held so high, is not but a giant lie.
