Invocation of the dead

Hear me ancients  
Answer my call  
Do my bidding  
For now and all

Invocation of the damned

I speak to thee in lifeless tongues  
By worse unspoken my will be done

By my will it is done

Through right or our bloodline  
I call upon thee  
To spite the name of our father  
Awake from reverie

Invocation of the dead

At last, spirits of the fallen  
Rise from your sleep  
Eternal bonds are no longer  
I set you free

Invocation of the damned

Return unto me the divine and defeated  
From the abyss
