"The night... it haunts me"  
My life has thriven upon soil  
That was not it's to consume

"La victime. Je l'ai mordu  
Et bu le sang"

Cultus sanguine

"Elle s'a trompe pour la premiere  
Et la derniere fois"

I am the glorified bringer  
Of thy long due rest  
And thus I have ascended  
To make thy blooming flower wither  
As if it were rotting windfall

Your petals are mine to peel  
So bow down before mee... kneel!

I have been kissed  
By the soothing tongues of death before  
They did not fool me  
I could taste the bitterness from afar

Man need no kneel before the angels  
Nor lie in death forever  
But for the weakness  
Of the feeble will
