I'll reach out my hand and you'll turn the other way.  
I'm only trying to extend myself, to communicate.  
I try and I try and I try, there's no response from you.  
So now I refuse to waste my, waste my time, to waste  
my fucking time on you.

I refuse to let myself down by falsely putting  
judgement on you.  
To make myself look higher, higher - only to be  
knocked down by the truth.  
I will never choose a different path; I will never turn  
away from you.  
Your attitude is an example of this, which has become  
for me a Burning Fight.  
Not to change your opinion of me; but to try to help you  
see what's right.

And I will never choose a different path; ya I will never  
turn away from you.  
I will never choose a different path; and I will never  
fucking be like you!  
Ya, it's my Burning Fight, my Burning Fight.  
This is my Burning Fight, my Burning Fight.
