"Steps To Paradise"

I drown my soul
Through the depths of an unreal ecstasy
A stream of pictures
Born from an attractive void
A burning spiral
The lack of pain generates the disease
My mind asks for what body needs
This unknown but real sensation
That consume the thoughts
Slow move of my mind...
Endure enjoy or burn
A life torn apart by choices
Step to the final stage
Bleed on an aborted world(You fall down)
I put my hate on fire
I buried my desire
I put my life on fire
I exhumed my nightmare
I am falling down (to heaven)
I am gonna lose my soul and kill my dreams (in
Heaven)
I am falling down
I am gonna lose my soul
You have tears in your eyes
Will you follow me?
