I'll reach out my hand and you'll turn the other way.
I'm only trying to extend myself, to communicate.
I try and I try and I try, there's no response from you.
So now I refuse to waste my, waste my time, to waste
my fucking time on you.

I refuse to let myself down by falsely putting
judgement on you.
To make myself look higher, higher - only to be
knocked down by the truth.
I will never choose a different path; I will never turn
away from you.
Your attitude is an example of this, which has become
for me a Burning Fight.
Not to change your opinion of me; but to try to help you
see what's right.

And I will never choose a different path; ya I will never
turn away from you.
I will never choose a different path; and I will never
fucking be like you!
Ya, it's my Burning Fight, my Burning Fight.
This is my Burning Fight, my Burning Fight.
