Enblazing paradise  
Agonizing adoration  
Limitless suffering  
Suffocating infatuation  
Morbid cleansing  
Relics of a forgotten past  
Catechism of pain  
Adorned in agony  
Wretched existence  
Acid rain purges the soul  
Scouring the blood-soaked earth  
Disease engulfing this mortal coil  
Death's reign, no chance of rebirth  
Relics of a forgotten past  
Communion of terror  
Adorned in agony  
Salvation's void  
Apocalyptic holocaust  
Humanity's horrific lust  
Dining at the table of the lost  
Ashes to ashes, dust to dust [x2]  
Relics of a forgotten future  
Catechism of extinction  
Adorned in agony  
Enblazing paradise  
Ashes to ashes, dust to dust [x2]
