Extirpation of omnipotent dogma  
Misanthropic revelation  
Giving birth, born again  
Obsolete faith in a lost monarch  
Exacting certitude  
Suicidal salvation  
Prelude to prohibition  
Infinite maliciousness  
Indefinite mortification  
Extirpating omniscient certitude  
Man cannot serve two masters  
Temptation revered  
Living death, still-born  
Born again with a dark malevolence  
Exacting certitude  
Arcane spiritual disaster  
Prelude to prohibition  
Infinite maliciousness  
Indefinite mortification  
Extirpating omniscient certitude  
Extirpation of omnipotent dogma  
Misanthropic revelation  
Cleansed with fire and scorn  
Obsolete faith in a lost monarch  
Exacting certitude  
Angelic stagnation
