I know just how
The real life works
And of my mind
It's hard to speak

It will bring me home
Dead or alive
It will bring me home
To you all my desires

So now here I go
The fight of my life
With a mindset of
I may not return
But I'm built to be strong
The fight to be hard and long
I will break a way through
For the pleasures of a new tommorow
So bring me home

And I don't know
If I'll live tomorrow
And war is hell
But someone's got to do it yeah

It will bring me home
Dead or alive
It will bring me home
To you all my desires

So now here I go
The fight of my life
With a mindset of
I may not return
But I'm built to be strong
The fight to be hard and long
I will break a way through
For the pleasures of a new tommorow
So bring me home

With my life on the line

I will fight for you
I'll give my everything
To bring you a new tomorrow
