Unspeakable acts of vengeance
Horrible anomalies of the flesh

Terrified screams as the bitch
Succumbs to do my bidding,
Bidding of the flesh!

Parasitic, disease infested
Oral manifestations

Abnormal projectiles
Inserted into her orifices

Holy virgin's cunt defilement
Tasting the excretions of the damned

Prophetic, pathetic
There's no salvation

Holy lamb fuck of god, where art thou now?!
Thy powers art naught x2

Prophetic, pathetic
There's no salvation

The spiritual cleansing begins
With the scourging of the flesh x2

Fuck the holy spirit!
