Your looks, my charm  
My own imagination  
My loves, your hates  
Your own infatuation

Are everything  
Are everything

My hopes, your fears  
Your only limitation  
Your thoughts, my schemes  
My own evaluation

Are everything  
Are everything

My looks, your charm  
Your own imagination  
Your loves, my hates  
My own infatuation

Are everything  
Are everything

Your hopes, my fears  
My only limitation  
My thoughts, your schemes  
Your own evaluation

Are everything  
Are everything

Your looks, my charm  
My own imagination  
My loves, your hates  
Your own infatuation

Are everything  
Are everything

My hopes, your fears  
Your only limitation

Your thoughts, my schemes  
My own evaluation

Are everything  
Are everything

My looks, your charm  
Your own imagination  
Your loves, my hates  
My own infatuation

Are everything  
Are everything

Your hopes, my fears  
My only limitation  
My thoughts, your schemes  
Your own evaluation

Are everything  
Are everything
