The Buzzcocks - Ever Fallen In Love With Someone?

You spurn my natural emotions,

You make me feel like dirt,

and that hurts.

and if I start a commotion,

I run the risk of losing you,

and that's worse.

Ever fallen in love with someone?

Ever fallen in love?

in love with someone?

ever fallen in love?

in love with someone,

you shouldn't have fallen in love with.

I can't see much of the future,

unless we find out whats to blame,

for the shit.

And we won't be together much longer,

unless we realize that we are the same.

Ever fallen in love with someone?

Ever fallen in love?

in love with someone?

ever fallen in love?
in love with someone,
you shouldn't have fallen in love with.

You disturb my natural emotions,
You make me feel like dirt,
and that hurts.

and if I start a commotion,
I'll only end up losing you,
and that's worse.

Ever fallen in love with someone?

Ever fallen in love?

in love with someone?

ever fallen in love?

in love with someone,

you shouldn't have fallen in love with.

Ever fallen in love with someone?

Ever fallen in love?

in love with someone?

ever fallen in love?

in love with someone,

you shouldn't have fallen in love with.

(*****)

Ever fallen in love with someone?

Ever fallen in love?

in love with someone?

ever fallen in love?

in love with someone,

you shouldn't have fallen in love with.

fallen in love with.

Ever fallen in love with someone?

you shouldn't have fallen in love with
