It's hard enough knowing
And harder still showing
What you feel when you're in love
Well it's OK you say it plain
But I don't mind it's all a game

It's hard to believe in
That you've been deceivin'
Me with all of your lies
I don't know what I ought to do
But I know that I still love you

I've given up wishin'
For what has been missin'
When I've looked in your eyes
You know that it's all up to you
There's nothing else that I can do

In my heart I am prayin'
That you will be stayin'
Here with me by my side
I don't want it to end this way
What else more can I say

It's hard enough knowing
And harder still showing
What you feel when you're in love
Well it's OK you say it plain
But I don't mind it's all a game

It's hard to believe in
That you've been deceivin'
Me with all of your lies
I don't know what I ought to do
But I know that I still love you
