No one seems to matter anymore
Can't get back to normal like before
Everywhere I look and see the same
Every time I turn around you're back again

Can't you see I'm burning inside
Can't you see I'm yearning inside
I'm sick of all this stubborn pride

Pariah

It seems to me you think that love's a crime
You've taken what is yours and now you're after mine
I'm running round in circles, nowhere else to go
Hermes Trimegistus as above so below

Can't you see I'm burning inside
Can't you see I'm yearning inside
These feelings cannot be denied
