You say you don't love me  
Well that's alright with me 'cos I'm in love with you  
And I wouldn't want you doing things you don't want to  
do  
Oh you know I've always wanted you to be in love with  
me  
And it took so long to realize the way things have to be  
I wanted to live in a dream that couldn't be real  
And I'm starting to understand now the way that you  
feel  
You say you don't  
You say you don't

You say you don't love me  
Well that's alright with me 'cos I have got the time  
To wait in case someday you maybe change your mind  
I've decided not to make the same mistakes this time  
around  
As I'm tired of having heartaches I've been thinking  
and I've found  
I don't want to live in a dream I want something real  
And I think I understand now the way that you feel  
You say you don't  
You say you don't  
You say you don't

[Solo]  
You say you don't  
You say you don't

You say you don't love me  
Well that's alright with me I'm not in love with you  
I just want us to do the things we both want to do  
Though I've got this special feelin' I'd be wrong to call it  
love  
For the word entails a few things that I would be well rid  
of  
I've no need to live in a dream it's finally real  
And I hope you now understand this feeling I feel  
You say you don't  
You say you don't  
You say you don't love me

You say you don't love me  
You say you don't love me  
Mmm
