Feeling like I'm almost sixteen again  
Layin' 'round doing nothing like all my friends  
Play it cool don't get angry count up to ten  
Just like I was sixteen again

Everybody gets the lowdown right from the start  
Everybody gets the showdown right from the heart  
But that's all that's on the menu and life's a la carte  
I don't know

Things in life are not played for keeps  
If it makes you happy it'll make you weep  
And if you want some more practical advice  
If you can't think once then don't think twice  
Cos things won't seem so nice  
You'll wish you were sixteen again  
Oh no

Feeling rather strange when you're sixteen again  
Things don't seem the same the past is so plain  
This future is our future this time's not a game  
This time you're sixteen again

Always on your own when there's nobody else  
Asking myself would I be someone else  
But after all life's only death's recompense  
I don't know

Things in life are not played for keeps  
If it makes you happy it'll make you weep  
And if you want some more practical advice

If you can't think once then don't think twice  
Cos things won't seem so nice  
You'll wish you were sixteen again  
Oh no

*[SOLO]*

Look at me here I am for your eyes  
Mirrored proof of what you recognize  
I know I never will feel quite like you

And I know you won't treat me right till I do  
But at least we'll know it's true  
That we're sixteen again  
Oh no

Feeling rather strange when you're sixteen again  
Things don't seem the same the past is so plain  
This future is our future this time's not a game  
This time you're sixteen again

Always on your own when there's nobody else  
Asking myself would I be someone else  
But after all life's only death's recompense  
I don't know

Look at me here I am for your eyes  
Mirrored proof of love's suicide  
I know I never will feel quite like you  
And I know you won't treat me right till I do  
But at least we'll know it's true  
That we're sixteen again  
Oh no

Sixteen again  
Sixteen again
