I want to be what their eyes can't see  
I sweep their minds just to recollect  
Abandon souls in a rotten tree  
In the gallows hangs their god  
I am the demon made in flesh  
Just as vulnerable as them  
A thousand screams but just one soul  
Assimilate us all.  
Enlighten us in our path  
Show us your guidance  
Bestow us in our exposure  
Be here with us angels of the devil  
Bastard saints, legion  
Uncloaked, naked against (your) destiny  
Cast your robe, I've lit the flame  
The meaning of the words, I summon thee  
Turn your back on Yahweh  
Oppressing you, eternally  
Free that thought, I've lit the flame  
In the gallows Hangs your god...  
I call you all to witness this  
Upon this altar, fresh in mind  
Abominate the human shape  
Behold transformation  
I have robbed you of your time  
Infixed my words, sublime  
I'm in control of your mind  
In here, my world, right now!
