Rewind this cosmic sphere  
into its origin, Chaos.

Demons where masters there  
and we shall be like them..

Like them - OVERWHELMING!  
Like them - INTELLIGENT!

Ab ovo!  
Begin again  
-For this world is a failure!  
Ab ovo!  
Begin again  
-For this world is inferior!

Rewind this cosmic sphere  
into its origin, Chaos.  
TIAMAT, CHUTU, SATAN  
ABSU, ERIM, LEVITHAN  
Divine!

Chaos was all in what is  
still corrupted by the stupid  
Jehovah, Jesus, god of what?  
This world? INFERIOR!

Rewind yourself, crush the glass  
Go on through, go forth and "be" again

Go back, Ab ovo, from Ur  
There are no winners here  
Look back and accept your fault

Or you'll be stuck here forever

Rewind your broken mind  
Into controlled chaos  
Try to see from the other side  
Just spew your magic

-Reflect your status now!

What do you want to keep  
what is it that you like  
Have no restrictions here

-Satan I am divine!  
I choose my way to go  
I can see from the other side  
And so I use my magic:

Their tools are yours.  
Their names are many.  
Their shapes are fierce,  
and you are the start of it all

REWIND ALL!

Ab ovo!  
Begin again  
for this world is a failure!

Ab ovo!  
Begin again  
for this world is a failure!
