Violent whipping
Hatefully ripping
-SADO-GOD!

Hurt yourself, ride the snake
Sexually insane, go fuck yourself

FUCK YOURSELF!

Crash into the other realm
Sacrificing inner thought
Understand the chaotic form

Realising its all a lie
As you trample on the mine

-SCREW THIS WORLD!

Hell spawns in a circle dance
Feast upon your fucked up soul
Reborn into Satans world
Beauty of the wicked god

Violent whipping
Hatefully ripping
-SADOGOD

Hurt yourself, ride the snake
Sexually insane, go fuck yourself
