Nothing can offer content  
Nothing can ease the pain  
Nothing can wear off the sorrow  
One is born to bear within

While your world is worth of trying  
My world is mere cold  
No chance in disillusion  
Only the end of the road

Man weighed down with sorrow  
Anguished from the sole being  
Destined to live with uneasiness  
Always the hard way

Nothing can offer content  
Nothing can ease the pain  
Nothing can wear off the sorrow  
One is born to bear within

While your world is worth of trying  
My world is mere cold  
No chance in disillusion

Only the end of the road

Nothing can offer content  
Nothing can ease the pain  
Nothing can wear off the sorrow  
One is born to bear within

While your world is worth of trying  
My world is mere cold  
No chance in disillusion  
Only the end of the road

Cold is the world  
For the ones excluded  
Dark is the path  
In the absence of light  
Compelled to cherish beauty in longing  
Cling on love amidst of the suffering

No chance in disillusion  
No, no. No! Not in this world  
Not for a man  
Weighed down with sorrow  
Only the end of the road
