June 15th and ever since it's begun to make more sense.  
It'll do you good. It'll serve you well.  
Is it what you want? Is it hard to tell?  
If it were up to me I'd send you packing.  
When in your life were you quite as happy?  
And he'll run. And he'll jump through the hoops  
And it's all that he can do not to fall on his face.  
I know for one that I'm inspired. You single-handedly  
braved the fire.  
The crowd asked questions. We told the truth.  
"Who the hell is that?" "That's Mick Mars!" "From  
Motley Crue?"  
So there you go...don't be so prudent.  
Look to your soul. There's something to it-  
You can see through it. Just listen to it.  
Something dwells inside us all. It surface before too  
long.  
And this determines fate so we must choose according  
to our hearts.  
This is yours and it shows on your face and I've seen it  
all along.  
It's your love. I should know.  
But you turn your head and walk away  
To give up any hopes of reaching goals-fufilling  
dreams  
If I were you I'd listen to my heart.
