Don't stop
Just gotta face it
Too young and living a lie
Eyes lock
Can you taste that?
Your heart's numb
'Cause you've been paralyzed

Here's two words for you
Break up

All you want from him is everything
But he's no happy ever after
I'm not saying that I'm the one
But these hips sure move faster
Now go, say goodbye
Like Prince said
Forever, forever is a mighty long time
Forever, forever is a mighty long time
'Cause I can wait
For you to run my way
Forever be mine

Heartbreak
You make it too easy
Don't you see it's a mistake?
Spilled words
Were meant to stun you
Whiplash
It's time to fly away

Here's two words for you
Break up

All you want from him is everything
But he's no happy ever after
I'm not saying that I'm the one
But these hips sure move faster
Now go, say goodbye
Like Prince said
Forever, forever is a mighty long time

Forever, forever is a mighty long time
'Cause I can wait
For you to run my way
Forever be mine

Forever, forever is a mighty long time
Forever, forever is a mighty long time
'Cause I can wait
For you to run my way
Forever be mine (x2)
