Late night to talk this over
Drunk love is getting sober
That clicks with discover
You say it's not worth it, no.

Miss comical, cut this classic effect
I'm putting stop signs at green lights
Thinking of a loved one and anything to regret.

Sexed up by rumors and not by you
You blamed us for lack of pursuit
Drowning in your covers, for anything to...

Think of the past and your monster will be gone.

Late night to talk this over
Drunk love is getting sober
That clicks with discover
You say it's not worth it.
Late night to talk this over
Drunk love is getting sober, no.
You say it's not worth it.

Miss typical, cut this normal effect.
I'm biting words back just by
Looking up old loved ones for something to regret

I bought the words, but not the love
You hide in a mask consisting of
Your make up, you're caked up, with anything to...

Think of the past and your monster will be gone.

Late night to talk this over
Drunk love is getting sober
That clicks with discover
You say it's not worth it.
Late night to talk this over
Drunk love is getting sober, no.
You say it's not worth it.

Whoa...

You can't, you can't, you can't

You say it's not worth it

You can't, you can't

You say,

You say it's not worth it
