The people and the politics are making me nervous  
Attention, the buzz master here at your service  
I try to sing like there's nobody listening  
I never forced anything on anyone

No, you couldn't stop the rhino (couldn't stop the rhino)  
Can't take away what I no longer know  
You couldn't stop the rhino  
Yeah, oh alright

You see them in the movies and down at the zoo  
Are you watching them, are they watching you?  
It's okay they can't do what other animals can do  
'Cause animal's where humans belong

No, you couldn't stop the rhino (couldn't stop the rhino)  
Can't take away what I no longer know  
You couldn't stop the rhino

Yeah, oh look at her run  
Run like I've never seen  
Out in the fields  
Like you're supposed to be  
Climb aboard  
'Cause I wanna take you with me  
All the way down  
And I'll never be your soul's safe-keeping now

The people and the politics are helping you see  
They all take their special little piece of me  
They don't take it all, only more than they need  
With no one left to put away the fire

No, you couldn't stop the rhino (couldn't stop the rhino)  
Can't take away what I know, no, 'cause I know  
You couldn't stop the rhino  
Yeah, couldn't stop the rhino  
Oh, you couldn't stop the rhino  
Can't take away what I know, no, 'cause I know  
You couldn't stop the rhino  
Yeah, oh look at her run
