You've got twenty seven years on me
The things you're doing make me smile
The days we spend are sent from heaven
And you're always on my mind
And you're always on my mind

In my heart, there's a rainbow glowing
(In my heart)
In my head, there's a moon so bright
(In my head)
In my sky, there's a snow cloud snowing
(In my sky)
Sandman's coming out tonight

I've got twenty seven years on you
The things you're doing make me laugh loud
The days we spend are sent from heaven
And you've given me my life

In my heart, there's a rainbow glowing
(In my heart)
In my head, there's a moon so bright
(In my head)
In my sky, there's a snow cloud snowing
(In my sky)
Sandman's coming out tonight

Ba, ba, ba, ba, ba, ba
Ba, ba, ba, ba, ba, ba, ba
Ba, ba, ba, ba, ba, ba
Ba, ba, ba, ba, ba, ba, ba

Planet spins, planet spins
And another generation gives the hope
And the joy and the life
To the beat to the heart of the next

Free at last, free at last
Free at last, free at last
Thank God Almighty
We are free at last

In my heart, there's a rainbow glowing
(In my heart)
In my head, there's a moon so bright
(In my head)
In my sky, there's a snow cloud snowing
(In my sky)
Sandman's coming out tonight

In my heart, there's a rainbow glowing
(In my heart)
In my head, there's a moon so bright
(In my head)
In my sky, there's a snow cloud snowing
(In my sky)
Sandman's coming out tonight
